

ABOUT

The annual golf tournament is the Missouri-Kansas Society of Fire Protection Engineer's main fundraiser which help supports growth and interest in the industry through local University Scholarships.

We are excited to be hosting the event at a great local course with Prairie Highlands in Olathe for 2015. As you can see in our list of supported students (below), this golf tournament offers a great means to support local students and their interest and growth in fire protection.

We look forward to your support for the 2015 tournament!
